WORK EXPERIENCE

Junior Analyst (Apprentice)

Neural hue

November 2025– Present

London, United Kingdom

- **Analysed business requirements and user needs** for an AI-driven talent search platform by working with stakeholders to define user journeys, functional requirements, non-functional requirements, and business rules.
- **Documented end-to-end product requirements**, including semantic search, structured skill frameworks, and job description matching using user stories, acceptance criteria, and UAT scenarios to support agile delivery.
- **Applied rigorous data governance and research ethics standards**, including GDPR-compliant anonymisation, pseudonymisation, metadata documentation, data lineage tracking, and secure data storage, supporting ethical approval processes, FOI readiness, and long-term research usability.
- **Led complex, hypothesis-driven research analyses** across large, multi-source datasets, applying statistical techniques such as regression modelling, cohort analysis, time-series analysis, significance testing, and confidence interval estimation to answer defined research questions and evaluate interventions.
- **Designed high-impact analytical outputs and visual narratives**, producing publication-ready tables, figures, and interactive dashboards (Power BI / advanced Excel / R visualisation libraries) that translated complex statistical findings into clear, defensible insights for academic, policy, and senior decision-making audiences.

Business Support
Kent County Council

December 2024– Present
Folkestone, United Kingdom

- Designed and implemented streamlined administrative workflows, improving operational efficiency by 15%, and ensuring the timely delivery of critical services across Family Hubs.
- Streamlined operational tasks such as room bookings, facilities management, and cash handling, contributing to the smooth running of daily activities within the Family Hubs
- **Handled sensitive personal and safeguarding data** in line with **UK GDPR and Data Protection Act 2018**, ensuring secure processing, accurate record-keeping, and appropriate access controls across internal systems.

- **Maintained and updated case records and government documentation** using council case management and document management systems (CMS/DMS), supporting data integrity, audit readiness, and statutory reporting requirements.
- **Supported multi-agency service delivery** by coordinating information between internal teams, external partners, and families, using secure email, shared systems, and controlled data-sharing protocols.
- **Improved operational efficiency and data quality** by following standard operating procedures (SOPs), identifying data gaps or inconsistencies, and assisting managers with reporting, compliance checks, and process reviews.

**Business Development Manager,
The Post Prod**

**November 2022 -January 2025
United Kingdom (Remote)**

- **Led UK market entry** by conducting in-depth research, analysing competitors, and forming strategic partnerships. Utilised data-driven insights to devise targeted sales and pricing strategies, resulting in a 30% market share increase within 12 months
- **Managed key corporate accounts** by addressing stakeholder concerns and delivering customised solutions, securing a 3-year contract extension, a 15% revenue increase, and positioning the client as a reference account for future large deals
- **Optimised consultative selling strategies** by crafting tailored solutions for corporate clients, securing a \$5 million contract, enhancing client operational efficiency by 25%, and unlocking significant cross-sell opportunities
- **Delivered data-driven reports and strategic insights** to internal and external stakeholders, securing additional investment to scale and expand key projects, driving business growth

**Creative Head
Studio 31**

**September 2019– 2021
Chennai, India**

- Successfully planned and executed **365+ Creative events and 30+ trade shows, conferences, and corporate events**, managing end-to-end logistics, vendor coordination, and post-event analysis, leading to a 20% increase in brand engagement.
- Developed and designed over 50+ marketing assets (social media posts, blogs, newsletters) using **Canva and Adobe Creative Suite**, increasing audience reach **by 30% (40,000)** across digital platforms.
- Utilised **Google Analytics and social media insights** to track campaign performance, optimising digital strategies that boosted online engagement in all social media platforms by 35%.
- Led cross-functional collaboration with sales and design teams, successfully delivering 5+ major marketing projects per quarter while ensuring brand consistency and meeting tight deadlines.

**Business Development Executive
Studio 31**

**June 2018 – August 2019
Chennai, India**

- **Consistently exceeded quarterly revenue targets** by an average of 20%, contributing to cumulative revenue growth of \$10 million over six years through targeted sales strategies and client engagement
- **Generated over 1,200 positive customer feedback responses**, leveraging this as a key trust-building asset to enhance brand credibility and engage potential leads, increasing sales conversions and customer loyalty

- **Independently managed the entire sales process** during the COVID-19 pandemic, developing cost-effective strategies and remote sales tactics that sustained company operations and ensured product sales in a challenging market environment
- **Developed crisis management and adaptive sales strategies**, ensuring business continuity and driving sales even during periods of significant market disruption
- **Mentored and trained new sales executives** on advanced negotiation techniques, including ZOPA and collaborative negotiation, strengthening team capabilities and fostering a culture of continuous improvement and sales excellence.

Licence & Certification

- **Certified Business Intelligence Professional (CBIP)** – Udemy • **Power BI Internship** – PwC, Europe
- **Excel for Business Analysts Certification** – International Institute of Business Analysis (IIBA) • **Sales Manager Course** - Institute of Sales Management (Pursuing)
